

ANNUAL GOLF TOURNAMENT

To our valued supporter,

2020 has been a wild ride! We are excited to be able to plan for our annual tournament with additional safety measures in place. Let's take advantage of the opportunity to be together safely outdoors while we can. Join us for some fun while contributing to an organization that advocates for adults with intellectual disabilities in Manitoba. Join Abilities Manitoba for its fourth annual golf tournament hosted at the prestigious Bridges Golf Course on August 20, 2020. At our golf tournament we hope to attract socially responsible businesses from across Manitoba that want to be known for their contribution to ensuring that every voice is heard, no matter their ability. Moreover, this event provides businesses with the opportunity to participate in entertaining team building activities and promote healthy workplace relationships. As Abilities Manitoba is not government funded, all proceeds from this fun-filled event will go directly towards initiatives are essential to providing services and advocacy as it pertains to community inclusion.

We are filled with pride and are every bit determined to achieve our goals through the passion and hard work of our team and member agencies. Equally important are our valued and generous sponsors that make it possible to continuously provide active support and improvements to the lives of people supported by our member agencies.

Considerable gratitude is given to our exceptional supporter Northway Pharmacy. They have truly gone above and beyond to make this event a huge success. The Northway Pharmacy team strive to not only provide their clients and patients with the best possible care available, but are also innovative in their approach to delivering that care. They are truly a great choice for an all-inclusive experience.

The 18-hole tournament will start at 10:00 AM and each participant will have a great day filled with prizes, activities and great food. Since we are pulling out all the stops, we will have four prizes for the top performing teams, and one prize for the team that really just came out to have a good time.

Safety is our top priority at our tournament and we will have hand sanitizer, disinfectant spray and masks galore. We will be working closely with Bridges to adhere to public health directives to ensure everyone has a safe, fun-filled day.

In order to have another successful golf tournament, WE NEED YOU! Sponsorships are an effective way to ensure that our valuable work can continue. Our team thanks all of you for your support and is looking forward to seeing you on the course!

Sincerely,

Margo Powell
Abilities Manitoba
